

Billing and Payment Policy

Our mission at Janz Medical Supply is to offer our clients outstanding service and simplify the way that medical supplies are ordered and received. Aspire Products, LLC customer service representatives help clients determine their insurance coverage and bill the insurance(s) on their behalf. Patients are responsible for payment in accordance with our company's terms. Assignment of Benefits to a third party does not relieve the patient of the obligation to ensure full payment. Billing third party is not an obligation, but rather a service we offer if all necessary billing information and signatures are provided.

Medicare

We may accept Medicare Part B assignment, billing Medicare directly for 80% of allowed charges and billing the beneficiary, the 20% payment and any deductible. We offer Electronic Claims Transmission for billing non-assigned orders. Presentation of your Health Insurance Card is necessary.

Medicaid

We may provide equipment to Medicaid recipients upon verification and approval of coverage status and medical justification. Presentation of your State Beneficiaries Identification Card and Personal ID are required.

Private Insurance

We may bill private insurance carriers upon verification and approval of coverage status and medical justification. You are responsible for providing our billing department with all necessary insurance information. Presentation of your insurance card and personal ID required.

Managed Care

We will provide equipment upon approval and authorization from the managed care representative. Presentation of your insurance card may be necessary. Remember, billing a third-party insurance DOES NOT guarantee payment. Financial responsibility remains with you, the patient.
